10	minuet			

Totals _____

Column Designations
 "E" – Flash Known (Eidetic)
 "P" – Untimed Known (Phonetic)
 "U" – Unknown Words

Results of Decoding – FORM A

Highest grade level of sight word recognition (50% Flash Known) _____

Number of Flash-known words at DDT Decoding Level _____

Decoding Mode:

Relatively more phonetic

Relatively more eidetic

Relatively equal

Comments: _____

Examiner: _____ Date: _____
